

Curriculum Vitae

Personal information:

Name: Ioannis

Surname: Morres

Gender: Male

Nationality: Hellenic (Greek)

Valid Driving License

Contact details:

Ioannis D. Morres PhD

Postdoctoral Fellow

University of Thessaly

Dept. Physical Education & Sport Science

Exercise Psychology & Quality of Life Lab

Trikala, Karyes, TK 42100, Greece

tel: +30 24310 47061

fax: +30 24310 47042

email: iomorres@pe.uth.gr

Education and Training

- Outstanding athlete registration, Aristotle University of Thessaloniki, School of Physical Education and Sport Science, 1989, Greece.
- Qualified Lifeguard, Aristotle University of Thessaloniki, 1992, Greece.
- Qualified Volleyball Referee, Hellenic Volleyball Federation, 1992, Greece.
- BSc Physical Education & Sport Science, Aristotle University of Thessaloniki, 1995, Greece.
- Clinical practice at the Hippokration Hospital, Department of Child & Adolescent Psychiatry, Aristotle University of Thessaloniki, 1994, Greece.
- Clinical practice in mental health services, Arhus County, 1997, Denmark.
- European MSc in Adapted Physical Activity, Katholieke Universiteit Leuven, 2000, Belgium.
- Training in Adapted Sport Coaching, Nottinghamshire County, Nottingham, 2000, UK.
- Paralympic Medical Classifier, World Federation Volleyball Disabled, 2001, The Netherlands.
- Doctor of Philosophy, 2017, “Physical activity in major depressed outpatients: A self-determination approach”, University of Thessaly, School of PE & Sport Science, Greece.
- Personal Development of 400 hours (psychoanalytic approach).

Professional Experience

- Experience for 17 years (12.000 hours) as an exercise therapist in National Health Services in Belgium, Denmark, France, Greece, United Kingdom.
- Eight years part-time research associate, Katholieke Universiteit Leuven (2000-2004, Belgium), University of Nottingham (2007-2009 and 2011-2014, UK).
- Advisor Physical Exercise, Nottinghamshire NHS Trust (2007-2009 & 2012 -2014).
- Scientific Consultant, World Federation Volleyball for the Disabled (2007-2009).
- Research & Teaching Assistant, School Physical Education & Sport Science, University of Thessaly, Greece (March 2013-June 2017) contributing to:
 1. Master of Science “Ergospirometry & Rehabilitation”.
 2. European Master of Science “Sport and Exercise Psychology (EMSEP)-Erasmus Mundus”.
- Postdoctoral Fellow, Dept. of Physical Education & Sport Science, University of Thessaly, (September 2017 to present) contributing to:
 1. Master of Science “Ergospirometry & Rehabilitation”.
 2. European Master of Science “Sport and Exercise Psychology (EMSEP)-Erasmus Mundus Programme” based at the University of Thessaly.
 3. Laboratory of Exercise Psychology and Quality of Life.
 5. Undergraduate Modules (SPSS, Health Education, Exercise Health and Quality of Life).

Scientific Recognition

- National Institute for Health Research (NIHR), United Kingdom - 2019
NIHR “Signal” - Aerobic Exercise for the Treatment of Depression
<https://discover.dc.nihr.ac.uk/content/signal-000711/aerobic-exercise-is-an-effective-treatment-for-depression>

Reviewer

- Certificate of Excellence in Reviewing - 2017
International Journal of Psychiatry in Clinical Practice (IF: 1.17), Taylor & Francis.
Top Reviewers <https://www.tandfonline.com/doi/full/10.1080/13651501.2018.1436246>
- Certificate of Outstanding Reviewer
Psychiatry Research (IF: 2.22), Elsevier.
- Invited Reviewer in: J Psychiatr Res (IF: 3.917, Elsevier).
Int J Environ Res Public Health (IF: 2.468, MDPI).

Academic Funding

1. €26,400.00. State Scholarship Foundation (IKY), Greece (2020-2022). Postdoctoral Fellowship for Research. Project title: Physical exercise as an add-on therapy for depression in primary care. Researcher: **Ioannis D. Morres**. Supervisor: Professor Antonis Hatzigeorgiadis.
2. €404,875.00. “Erasmus+” European Union, Brussels, Belgium (2020-2021). Collaborative research grant funded by European Union. *“Inter-active living for mental health (In-ALMH)”* Principal Coordinator: Andreopoulos, N. Institutional Coordinator: Professor Theodorakis, Y. Researchers: Professor Goudas, M., Hassandra, M., **Morres, I.D.**
3. £241,000.00. National Institute of Research for Patient Benefit Programme, London, UK (2009). Grant reference no, PB-PG-1208-18097 (completed).
PI: Callaghan, P., CI: Khalil, E., **Morres I.D.**, Armstrong, M., Schneider, J., Such, T. *“H.E.A.L.T.H. Help Enabling Active Lifestyles Toward Health in young people with depression”*, The University of Nottingham, UK.
4. £98,000.00. Burdett Trust N. London, UK (2007). Grant reference no, 293/350 (completed).
PI: Callaghan P., CI: Khalil E., Owen, S., **Morres I.D.** *“Pragmatic randomized controlled trial of preferred intensity exercise in depressed women”*. The University of Nottingham, UK.
